### **SUPERVISOR ALEXANDER ANNOUNCES SECOND ROUND OF MOBILE OFFICE HOURS** *Community Session Offers Access in District 18*

**Milwaukee, WI** – Milwaukee County Supervisor Deanna Alexander is inviting 18th District residents to join her to talk about Milwaukee County issues during her second set of Mobile Office Hours at the Starbucks at N. 76<sup>th</sup> & Good Hope Road.

“My goal is to be an accessible, elected representative because I realize people have many demands on their time,” said Supervisor Alexander. “With these early morning mobile office hours, people who work third shift can have my one-on-one attention on their way home and people who work or run errands in the morning can find me as they begin their day.”

The September 14 session represents the third time in as many months that Supervisor Alexander has hosted publicly noticed opportunities for constituents to meet with her.

**Friday, September 14, 7:30 to 9:30 a.m.**

***Mobile Office Hours: Starbucks Coffee, 7335 W. Good Hope Road in Milwaukee***

Supervisor Alexander will be available for questions and conversations about Milwaukee County.

Another, upcoming chance to talk with Supervisor Alexander will be a Town Hall Meeting at Dretzka Park Chalet, 12020 W. Bradley Rd, set for Monday, September 17 at 7 p.m.
